

PIM Gap Year

A unique opportunity to:

- gain useful vocational skills
- undertake introductory theological studies
- learn to be a useful servant in the local church
- experience life in rural and remote locations
- develop skills in evangelism and discipling
- see more of what God is doing across our nation
- meet interesting people and make new friends

PIM Gap Year participants will live and work at New Dunesk, our property in rural NSW, from early February until the end of November. They will enjoy a wide variety of activities during the year, will actively participate in the life of a country church and will get to visit some of the places where PIM works.

The PIM Gap Year is a small programme with just a few places available each year.

To be considered you will need to:

- be a follower of Christ
- be between 18-20 years old (at 1 Feb)
- be recommended by your church leadership
- have a desire to learn, serve and grow
- be able to commit wholeheartedly to the programme from Feb to Nov
- have a driver's licence, and ideally have your own vehicle
- be able to get a Working with Children Check
- roll up your sleeves and work on a wide variety of assignments

To find out more about the dates, cost and details of the programme please give Andrew a call on 0438 868 964 or email gapyear@pim.org.au
