

At Presbyterian Inland Mission (PIM), our vision is to see people living in the remote and sparsely populated areas of Australia become mature and faithful followers of Jesus.

As a ministry of the Presbyterian Church of Australia, we've been taking the good news of Jesus to the furthest regions of our country since our foundation in 1912, by the Rev John Flynn.

We continue that mission today through our network of ministry teams, and from our new long-term home in Ardlethan NSW, New Dunesk.

By the grace of God and the support of donors and local churches, we seek to fulfil Christ's command to *"go and make disciples of all nations, baptising them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you"* (Matthew 28:19-20).

That will always be Worth Driving For.

Please join with us as we seek to see people living in the remote and sparsely populated areas of Australia become mature and faithful followers of Jesus.

At PIM, we pursue our vision through our network of ministry teams, and by seeking to mobilise the wider church to proclaim Christ across our nation.

Our ministry teams live and work in remote areas of Australia, building long-term relationships with different people and communities. These teams create opportunities to proclaim Christ to people who have never really heard the Gospel. They also intentionally disciple isolated Christians and pastorally care for people in a variety of different circumstances.

In many of the places where PIM's ministry teams work, there is little or no other Gospel witness. This work involves extensive remote area travel and a long-term commitment to local communities.

Our pursuit to mobilise the wider church is done primarily through events and programs at New Dunesk, our property in Ardlethan, NSW.

Just 2km south of the New South Wales Riverina town of Ardlethan sits New Dunesk - a place to inspire, equip and send out God's people for Gospel work across Australia.

New Dunesk is a place for the whole church, with a variety of events and programs being run throughout the year:

Gospel Nomads - A community of people in a similar life stage, providing training, community and useful opportunities to serve.

Training Workshops - Practical teaching that aims to help elders and church members in rural communities to better serve in their local churches.

New Dunesk Gap Year - A program for young people to develop practical farm and ministry skills at New Dunesk and in the surrounding community.

Plus much more!
